Subject: Supplemental Notice - Ammonia Effluent Limitations
Attachments: Ammonia Criteria Notice of Public Hearing_2015_03_03.pdf

The Central Valley Regional Water Quality Control Board (Central Valley Water Board) has previously issued notices informing the public and interested persons that the Board will be considering renewal of NPDES permits for the below listed facilities at hearings scheduled for the Board's 16/17 April 2015 meeting. The Board hereby provides supplemental notice to inform the public and interested persons that Board staff is recommending revised water quality-based effluent limitations for ammonia be imposed in these permits for the reasons specified in the attached Supplemental Notice.

Persons wishing to comment on this issue shall submit testimony, evidence, if any, and/or comments to the Central Valley Water Board via email to RB5S-NPDES-Comments@waterboards.ca.gov no later than **5:00 p.m. on 2 April 2015**. Written evidence or comments submitted after **5:00 p.m. on 2 April 2015** will not be accepted and will not be incorporated into the administrative record absent a ruling by the Chair.
